A Digital Network to Boost Opportunities of Marginalised Youth by Exploiting EU Programmes

Discover the CareerBoost Resources!

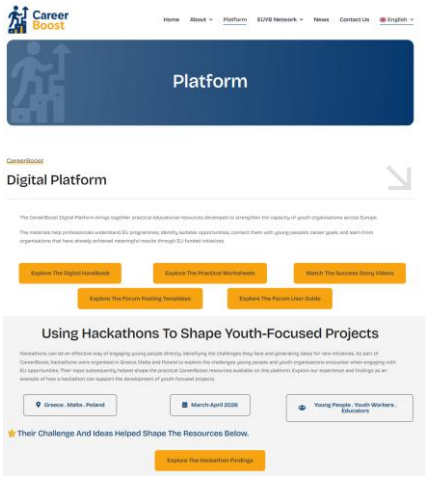
Useful tools and inspiring materials to help organisations support young people through EU opportunities.

1. Explore the CareerBoost Platform

The CareerBoost Digital Platform brings together practical resources created to support youth organisations, trainers and professionals working with young people.

From guides and worksheets to success stories and forum tools, everything is available in one place.

Explore the Platform



2. Digital Handbook

The Digital Handbook helps organisations discover EU programmes and better understand the opportunities available for young people.

It is a practical guide for anyone who wants to explore European opportunities in a simple way.

3. Practical Worksheets

The platform also includes six practical worksheets to help young people explore opportunities, reflect on their goals and connect EU programmes with career paths.

They are easy to use in workshops, guidance sessions and youth activities.

4. Success Stories

The Success Stories section shares inspiring examples and real experiences that show how EU opportunities can support learning, growth and inclusion.

A great way to motivate and inspire young people.

5. More Resources

The platform also includes:

- **National Hackathon Findings**
- **EUYouthBridge Forum Templates**
- **Forum User Guide**

These resources provide more ideas, useful tools and practical support for organisations working with young people.

6. Ready to Explore?

All CareerBoost resources are free and easy to access online.

About CareerBoost

EUYouthBridge was created through the Erasmus+ CareerBoost project, which aims to help youth organisations make better use of EU programmes and create more opportunities for young people.

Visit www.career-boost.eu to learn more about the project.
