

T01: Youth Related News, Event or Announcement

Purpose: Share relevant news, events, seminars, workshops, conferences or network announcements

Post title - Use a short, engaging title.

Example: Discover European Researchers' Night 2026

What is happening? - Briefly describe the news/event in 2-3 sentences.

Example: European Researchers' Night lets young people meet researchers and experience science first-hand.

Why relevant? - Explain the value to young people, youth workers or members.

Example: It can help young people discover STEM study and career pathways.

Key information - Give date, location, target group and deadline/conditions where relevant.

Example: 25 Sept 2026 | Across Europe | Young people interested in STEM

Find out more - Add the official link, registration details or contact.

Example: [Insert link/contact]

Posting tip: Consider adding a visual and make the benefit to the network clear.
