

T03: EU Project Good Practice or Success Story

Purpose: Share an approach or experience that worked well and could be useful to other members.

Practice title - Use a short descriptive title.

Example: Using peer mentors to improve youth participation

Context - Explain the situation, target group or challenge.

Example: Participation was low among young people new to EU opportunities.

What did you do? – Describe the approach and main steps.

Example: Former participants acted as peer mentors in informal sessions.

What worked? - Summarise the result and why the approach helped.

Example: Young people engaged more openly with peers sharing personal experience.

How can others use it? - Give practical replication/adaptation advice and resources.

Example: Start with a small trained peer-mentor group and simple guidance materials.

Posting tip: Focus on transferable learning that another organisation could realistically try.
